RDU = residential dwelling unit or equivalent

(a) Customers who receive temporary service by any other method must pay the District's actual cost to connect and disconnect (time and materials) in addition to rate for the class of service.

(b) Capacity Fee will be adjusted each fiscal year by using the Engineering News Record (ENR) 20-City Construction Cost Index from January to January.

(c) Property Owners or residents may opt out of participating in this program. If opted out, the property owner or resident is responsible for repairing or replacing the mailbox compliant with all HOA, USPS, and District standards.

 = new fee
